

300 mm Height Gauge V1+ with granite base

TRIM100150

V1+ This model takes the foundational qualities of the V1 to new heights, catering to those looking to broaden their measurement capabilities.

In addition to bidirectional measurement, which enhances versatility without requiring extra accessories, the V1+ is also perfectly suited for diameter measurements, both internal and external.

It also features advanced fine adjustment and a constant measuring force, both critical for improving measurement accuracy and repeatability.

- Robust and Easily Portable
- Clear, Simple User Interface
- Counterweight for Operational Comfort
- Quick and Smooth Carriage movement
- Designed and manufactured in Switzerland
- Diameter Measurement Capability (V1+)
- Measuring Force Management (V1+)
- RS232 Connectivity (V1+)
- Available in 300 and 600 mm models
- Granitebase
