

Eurobox NextGen Economy 400x300x320 mm with open grips

52127440

Robust, shatterproof and flexible storage box. Made of 100% recyclable polypropylene in industrial quality, which ensures high load-bearing and load-bearing capacity. Due to the self-centering stacking edge and the reinforced walls, this box is ideal for e.g. storage, transport or safekeeping. Can handle temperatures from +75°C to -20°C and is also acid- and oil resistant.

Lids, hinge lids, snap locks and hinge fittings are not included, but are available here:
