Fire blanket 120x120 cm 2-sided silicone coated

35208120

Fire Blanket – A Simple, Effective, and Life-Saving Safety Measure
Our fire blanket is made from high-quality fiberglass, designed to quickly extinguish small fires, such as grease fires in the kitchen or flames caused by electrical appliances.

Product Information:

- Made from fiberglass with a double-sided silicone coating, capable of withstanding extreme heat and temperatures up to 550°C.
- Quick and easy to unfold and place over flames to suffocate the fire by cutting off the oxygen supply.
- Lightweight and space-saving, ideal for storage in kitchens, cars, caravans, or workplaces for quick access in emergencies.
- Packaged in nylon.
- Size: 120x120 cm.
- Weight: 680g net
- Certification: EN 1869:2019

Cleaning and reuse are not recommended. The blanket should be disposed of after use.

Also available in size 120x180 cm (Item No. 35208180)
