

Fire blanket 120x180 cm 2-sided silicone coated

35208180

Fire Blanket – A Simple, Effective, and Life-Saving Safety Measure
Our fire blanket is made from high-quality fiberglass, designed to quickly extinguish fires that require broad coverage, such as kitchen fires, clothing fires, or fires involving furniture and appliances.

Product Information:

- Made from fiberglass with a double-sided silicone coating, capable of withstanding extreme heat and temperatures up to 550°C.
- Quick and easy to unfold and place over flames to suffocate the fire by cutting off the oxygen supply.
- Lightweight and space-saving, making it easy to store in kitchens, cars, caravans, or workplaces for fast access in emergency situations.
- Available in various sizes for optimal protection in different environments.
- Packaged in nylon.
- Size: 120 x 180 cm.
- Also available in size 120x120 cm (Item No.: 35208120)
- Weight: 1020g net
- Certification: EN 1869:2019

Cleaning and reuse are not recommended. The blanket should be disposed of after use.

Also available in size 120x120 cm (Item No.: 35208120)
