

## FLANGE WIZARD Magnetic Flange Aligner Kit

35171125

The Magnetic Flange Aligner with the newest OFF/ON 90 lb. (2,5 kg.) holding power magnet technology.

The Magnetic Flange Aligner is your third hand and has no threads or nuts to deal with while working on your project. Thickness of the flange is no longer an issue.

2 sizes of Centering Alignment Cones are included:

- Small Cones for flange holes 1/2" to 1-7/16" in diameter
- Large Cones for flange holes 1/2" to 1-15/16" in diameter
- Aligner fits all flanges with holes from 1/2" to 2" in diameter with a maximum of 9-3/4" center to center hole spread
- The ON/OFF switch makes setting up easy and keeps the block free from debris
