

FLANGE WIZARD Master Marker MML510 for marking on pipes and beams 8" to 48"

35171195

The Master Marker is a unique layout tool for pipe and structural steel.

- The Master Marker quickly marks pipe from 8" to 48".
- Magnetic base, with levels, help the operator to stabilize tool and quickly find top dead center of the pipe.
- Removable and completely adjustable head, with a built in level, gives the operator the ability to mark both sides of a pipe without resetting the angle because the head can rotate 360 degrees.
- Because the head rotates, the operator is not limited by pipe size if you need to move the base for continuous marking.
- The arms have spring-loaded joints for smooth and precise operation for years of trouble-free service.
- The Master Marker sets the standard for marking pipe saddles and structural steel layout.
- The Master Marker comes with a structural steel adapter and strap (for non-ferrous pipe).
- Levels are easily replaced if broken.
- There are no extra combination adapters to buy when purchasing the Master Marker as it is engineered right in the body of the tool.
- It is machined from quality aluminum material then anodized for lasting protection.

Product details

Item no.	35171195
EAN	5708004074298
Customs tariff	9017203900
Sales Quantity	1

Product specifications

Barcode	5708004074298
Max. temperature	182°C / 360°F
Pipe diameter	5,08-40,64 cm/2"-16"
Gross weight	1.900 kg
