

Ground Clamp 400A

30172074

The perfect solution for maintaining a reliable ground connection in welding plants and other high voltage applications.

Designed to provide a safe and stable connection between the welding power source and ground.

Made of high quality materials that are designed to withstand high temperatures and resist wear and corrosion. The Ground Clamp is easy to install and adjust, which provides a quick and reliable grounding.

- Made of high quality materials.
- Can withstand high temperatures.
- Easy installation.
