

NOGA Rapid Burr RB1000 with aluminum handle and S10 blade

61120140

NOGA RB1000 strong and handy deburring tool

The RB1000 deburring toll makes it possible to work in steel, aluminum and plastic. The handle is made from aluminum, for long life of handle. The blades can easily be replaced, and the handle fits to all the “s” blades, so it is possible to adjust the deburr, so it fits the exact need.

The “S” blade series consist of 13 different heavy duty blades, which can work in steel, aluminum, plastic, brass, cast iron and stainless steel. The blades are designed in different forms, so it is possible to work in everything from small holes, deep holes, straight edges, curved edges to cross holes.

- Steel handle (Ø12 mm)
- Including S10 blade, for steel, aluminum and plastic
- Fits all S klingers (3.2 mm)
- Replaceable blades
