

IP67 Digital Caliper 0-300x0,01 mm with Bluetooth Connect and jaw length 60 mm

10223260

Diesella IP67 digital caliper with Bluetooth HID (Human Interface Device) and large display is a practical measuring tool that combines precision measurement with wireless data transmission. The IP67 rating means that the caliper is dustproof and can withstand immersion in water up to 1 meter for up to 30 minutes. This makes it ideal for use in demanding environments, such as workshops or outdoors.

Bluetooth HID (Human Interface Device) means that the caliper can function as a wireless input device, just like a keyboard or mouse. When the caliper is paired with a computer, tablet, or smartphone, the measurement values can be sent directly to the device and imported into compatible applications, such as Excel, email, or notes. (Note: increases power consumption).

- Reading: 0.01 mm
- Accuracy: ± 0.03 mm
- Jaw length: 60 mm
- Automatic on/off function
- Supplied with Battery: CR2032
