

KAPRO Multi functional magnetic mount for Prolaser art. 10468240 (883GB)

10468548

Multi functional magnetic mount for Prolaser art. 10468240.

The mount has adjustable rack and pinion height with locking knob and graduated scale on both sides for height adjustment. 1/4" threaded knob to attach the laser - 1/4" and 5/8" threaded bushings at the bottom for mounting on tripod.

Magnets on the back side. V-grooves on back and bottom side. Slots for strips on back and bottom sides. Screw or nail hanging hole on the top back side.

Additional clamping unit enables you to mount the laser on the carrying construction profiles of the drywall or acoustic ceilings. The additional clamping unit provides additional height adjustment.
