

LED work lamp "X-RAY" with 400x430 mm arm 28W / AC 100V-240V / IP50 / 2880 Lm

50531625

A powerful work lamp for the workshop, control room or just a general work light for places with a special need for adjusting the light. The lamp head is made of anodized aluminum and mounted on aluminum arms.

- 620 mm swivel lamp head
- 400x430 mm long aluminum arms
- 28W LED tube light, providing 2880 Lumen
- Brightness can be adjusted from 10%-100%.
- on/off switch is on the arm
- Dust and splashproof according to protection class IP50.
- Is delivered with 1.8 meters of cable (incl. EU plug).

Note: This lamp features an LED "soft-start design" that effectively reduces the current during startup, improving LED stability and extending the product's service life. This also ensures compliance with European safety and electromagnetic compatibility (EMC) standards.

Product details

Item no. 50531625

EAN

Customs tariff 8539520000

Sales Quantity 1

Product specifications

Barcode 5708004058656

Power consumption 28 W

Beam 120°

Mounting holes 2x2M6

Hole distance 45x45

Cable length 1,8 meter (incl. EU plug)

Arm length 400 x 430 mm

Lumen output 2880 Lm

Model X-RAY

Max. Output 2880 Lm

Min. Output 2880 Lm

IP Class IP50

Product size 400 x 430 mm

Product type Dimmable work lamp

Color temperature 5700 Kelvin (daylight)

Color rendering (CRI) >80

Lamp type Articulated fixed arm

Gross weight 3.060 kg

Net weight 2.480 kg
