

Magnetic Welding Clamp with fixed 90° angle and double on/off function (50kg/490N)

30171165

POWERMAG welding magnet 90° for professional jobs that demand a strong holding force.

The magnet fits to flat and round objects. 2 on/off-switches for independent operation; Simply turn off the magnets during setup, turn on again when you are ready to work. Easy and safe set-up. Precision machined flat and V-surfaces are ideal for round and square tubing, angles and flat stock.

- Strong holding force
- 2 on/off-switches
- Fits to flat and round objects
- Easy and safe setup
