

## NOGA EZ BURR EB2000 Red with BN1010 blade

61120160

EB2000 efficient deburring tool in pocket size

The EB2000 burr is a light and smart deburring tool, with an integrated pocket clip. It works well on both holes, straight edges and curved edges, and together with the included N1 blade, the burr works fast and effective in materials like steel, aluminum and plastic.

EB2000 is from NOGA's new deburring line, where the everyday functionality is in focus. The deburring tools in this line are weight light, equipped with a handy pocket clip and an individual color coded handle for easy recognition and its own distinct blade.

- Suitable for most applications
- N1 light duty blade - 2,6 mm is included
- Spare blades can be kept inside the handle.
- A handy pocket clip
