

Screw ground terminal 600A

30172090

A heavy-duty screw earth clamp designed to maintain a reliable grounding connection in welding systems and other high-voltage applications. Engineered to provide a secure and stable connection between the welding power source and the ground.

Manufactured from high-quality materials, built to withstand high temperatures, wear, and corrosion. The earth clamp is easy to install and adjust, ensuring a quick and reliable connection to the grounding system.

- Made of high-quality brass
- Double-screw cable connection
- Rubber collar and cable sleeve
