

SHINE 8000X-HD Super View Inner protection glass 108x108x1mm

32314350

This internal protection lens for SHINE 8000X-HD is a consumable cover lens designed to protect the ADF on the inside from wear, particles and contamination that can impair visibility and shorten ADF service life. Replace the lens when it becomes scratched, hazy or stained to maintain a clear field of view.
