

SHINE SPARX Single Inner Visor Shade 2 Lens

32314490

The SHINE SPARX Single Inner Visor Shade 2 Lens is an inner polycarbonate visor developed for the SHINE SPARX Single welding mask. With a DIN 2 shade, it provides a brighter field of view for tasks where a low shade level is required. A practical choice for SPARX Single users who need a light shade option to balance visibility and eye protection.

Key features

- **Compatibility:** Designed specifically for the SHINE SPARX Single system
- **Shade level:** DIN 2, suited to lighter welding related applications where more visibility is needed
- **Material:** Durable, impact resistant polycarbonate for long service life and reliable protection
