

SHINE SPARX Single Inner Visor Shade 5 Lens

32314510

The SHINE SPARX Single Inner Visor Shade 5 Lens is an inner polycarbonate lens made for the SHINE SPARX Single welding mask. With a DIN 5 shade, it provides a more protective, moderately dark view for welding tasks where stronger glare reduction is required. A dependable replacement part for SPARX Single users who want a darker inner visor option while maintaining good visibility and protection.

Key features

- **Compatibility:** Designed specifically for the SHINE SPARX Single system
- **Shade level:** DIN 5, a practical shade for welding work that requires more darkness than DIN 2 or DIN 3
- **Material:** Durable, impact resistant polycarbonate to help shield against sparks and flying particles
- **Pack size:** Supplied as 1 x inner visor lens
