

## SHINE SPOTLITE inner protection lens (anti-fog) for ADF, polycarbonate, 113.5x42.7x1 mm

32314210

The SHINE SPOTLITE inner protection lens with anti-fog coating is a consumable part designed to reduce condensation on the inside during intensive work, helping you maintain a clear field of view. It also protects the filter area and inner surfaces from wear and contamination, supporting consistent performance over time.
