

## Stencil set with numbers 0-9 with 120 mm character height (10 parts)

20139145

Stencil is the ideal tool for all color marking. The possible uses range widely. It could, for example, be marking of storage and transport packaging, tools and containers, buildings and parking spaces.

On the individual stencils there are notches, which are also the lowest point in the sign. The notches make it easy to set them centered on a predetermined line, adhesive strip or other.

The stencil templates can be either brush, roller or spray painted. If they are cleaned after use, they can be reused many times.

- Set with digits 0-9 (10 parts)
- Made of 0.3 mm thick zinc sheet
- Resistant and flexible
- Stable and recyclable
- Typography according to DIN 1451

### Product details

Item no. 20139145

### EAN

Customs tariff 84425000

Sales Quantity 1

### Product specifications

Barcode 4021878701208

Content 10 pieces

Character height 120 mm

Marking Number

Gross weight 0.240 kg

Net weight 0.220 kg
