

SYLVAC Height gauge Hi_Cal 300 mm (830.0306) Bluetooth

SYL8300306

Height gauge with Bluetooth, USB and RS232

Download SYLVAC software [here](#)

- Data output: Bluetooth and proximity to USB/RS232
- 1D workshop measuring columns with integrated Bluetooth® system and battery
- Perfectly suited for the rapid measurement of heights, depths, thicknesses, internal and external diameters, centre-to-centre distances, etc.
- Value of the key constant stored in memory even after the instrument is switched off
- Compact and lightweight columns are easy to handle and do not require an air cushion
- New construction with simplified guidance systems to ensure reliability
- Motorised measuring button movement with encoder integrated in the system eliminating operator influence
- Variable and progressive displacement speed according to the pressure exerted on the paddle
- Automatic pre-positioning of the key by the Sylcom software, allowing a reliable and fast measuring sequence
- Fixed key holder system with interchangeable Ø 3 mm ruby ball button
- Display resolution 0.01 / 0.001 / 0.0005 mm
- Very small cast iron base equipped with 3 ground hard metal runners, requiring only a small working space

Product details

Item no. SYL8300306

EAN

Customs tariff 90172000

Sales Quantity 1

Product specifications

Barcode 7640125698947

Data output Bluetooth / USB / RS232

Error limit 2.0 + L / 2001) µm

Measuring range 300 mm

Resolution 0.01 / 0.001 / 0.0005 mm

Repeatability 1 µm

Gross weight 7.320 kg

Net weight 4.600 kg
