

Table magnifier 3,5X Ø70 mm glass lens and 3-LEDs

15405185

Compact magnifier stand with 3xLED light. With glass Ø70 that magnifies 3.5X. Made of ABS plastic and glass lens.

The magnifying glass is very easy to use: just press the upper frame to turn on the LED light to be able to enjoy the enlarged and brighter text or subject. To switch off the LED light, simply press the frame again.

An ideal product for those with impaired vision or to assist in reading labels, books, drawings, etc. Can also be used for easy control of materials and products. Uses 2xCR2016 batteries. Batteries included.

Delivered in a case.

- 3.5X magnification
- Stand model
- 3xLED light
