

Weighing Scale 6 kg x 0,2 g (d = 0,2 g) with 230x300 mm platform and Li-Ion battery pack

18560520

This bench scale is tailored for professional work environments where accuracy and functionality are essential. The scale is available in several capacities (3 kg, 6 kg, 15 kg and 30 kg) and 2 different division options: 2x3000e and 30000d

The heavy-duty weighing plate measures 230x300 mm and makes the scale easy to integrate into workbenches without taking up unnecessary space. The LCD display has 24 mm high digits with white LED lighting, ensuring easy and precise reading of your measurements, even in environments with difficult lighting.

Operation is done through a simple and intuitive membrane keyboard with 7 keys. The built-in 6V/4 Ah lead-acid rechargeable battery pack delivers up to 70 hours of continuous operation (without backlight activation), making the scale suitable for mobile workstations or stations where constant power supply is not an option.

- Flexible capacities: From 3 kg to 30 kg with division options from 2x3000e to 30000d.
- Compact weighing plate: Measures 230x300 mm, providing a space-saving and flexible solution.
- Clear LCD display: 24 mm digits with white LED lighting

Sales Quantity	1

Product specifications

Barcode	5708004109372
Customs tariff	8423822000
Display type	LCD
Calibration	Yes – option at an additional cost
Readability	0,2 g
Product name	Weighing Scale 6 kg x 0,2 g (d = 0,2 g) with 230x300 mm platform and Li-Ion battery pack
Product type	Weighing scale
Division	0,2 g
Capacity	6 kg
Minimum weight	4 g
Pan size	230 x 300 mm
Brand name	DIESELLA
Verification	No
Gross weight	4.600 kg
Net weight	3.800 kg
