

## WRKPRO ESD Magnifying Lamp "SCORPIO" Ø127 cm with 3D+5D Diopter (1,75X+2,25X) and 12W LED light source

15406510

Our new ESD series for effective protection against damage to e.g. components due to electrostatic discharges. The magnifying lamp is made of special ESD-conducting material that prevents static charging. The lamp comes with Ø127 mm 3D lens pre-installed (1.75X magnification) and an extra 5D lens (2.25X magnification) which can be replaced according to work task or need. Supplied with robust table clamp and 1.5 M cable with EU Type C connector.

The flexible arm of 820 mm with 3 joints provides a large working radius and has a strong holding force. The lampshade has a nice, thin design and with the smart "Quick-Change" system, the user can quickly switch between 3D, 5D and 8D Diopter.

**Please note:** 8D lens must be purchased (not included in the standard product)

### Application:

A magnifying glass is widely used and is, among other things, ideal for workshops, laboratories, electronics production, model making, beauty salons, dentists, etc. Can also be used for reading for the visually impaired.

- ESD approved

### Product details

Item no.	15406510
EAN	5708004074908
Customs tariff	9013809090
Sales Quantity	1

### Product specifications

Barcode	5708004074908
Power consumption	12W
Correlated color temp. (CCT)	6500K
LED diodes	60 SMD (Super Bright)
Lens size	Ø127 mm
Lumen output	1200
Magnification (diopter)	3D + 5D (1.75X + 2.25X)
Product type	Magnifying lamp
Power supply	AC 230V
External diameter Ø	217 mm
Color rendering (CRI)	80
Gross weight	3.450 kg
